REGISTRATION IN MEDICINE

STATE LIBRARY OF MASSACHUSETTS
The Commonwealth of Massachusetts

JUL 15 1930

STATE HOUSE, BOSTON

Board of Registration in Medicine.
State House, November 30, 1929.

To WILLIAM F. CRAIG, *Director of Registration.*

SIR: The Board of Registration in Medicine respectfully submits the following as its annual report for the year ending November 30, 1929:

FINANCIAL STATEMENT FOR THE FISCAL YEAR.

Appropriations.

Salaries of members of Board	\$4,300.00
Salaries of members of Chiropody Department	600.00
General expenses of Board and Department	1,200.00
Traveling expenses of Board and Department	750.00
	<u>\$6,850.00</u>

Expenditures.

Salaries of members of Board	\$4,300.00
Salaries of members of Chiropody Department	600.00
General expenses of Board and Department	1,196.07
Traveling expenses of Board and Department	747.31
	<u>\$6,843.38</u>

Receipts.

DEPARTMENT OF MEDICINE.

291 examination fees @ \$25.00	\$7,275.00
307 interne fees @ \$5.00	1,535.00
406 student fees @ \$1.00	406.00
89 re-examination fees @ \$3.00	267.00
Fees for certified statements	109.00
	<u>\$9,592.00</u>

DEPARTMENT OF CHIROPODY.

26 examination fees @ \$15.00	\$390.00
4 re-examination fees @ \$2.00	8.00
298 renewal fees at \$2.00 for the year 1929	596.00
103 renewal fees at \$2.00 for the year 1930	206.00
	<u>\$1,200.00</u>
TOTAL	<u>\$10,792.00</u>

Since the establishment of the Board in 1894, the fees received from applicants for registration, renewals and certified statements, and interest on deposits, and paid into the treasury of the Commonwealth, amount to \$252,836.56. The expenditures of the Board amount to \$228,209.71. In dollars and cents, therefore, the Commonwealth has received \$24,626.85 in excess of the total amount expended.

Three hundred and seven limited registrations and thirty-four registrations by virtue of registration with the National Board have been granted. The number of persons applying for registration through examination, for the first time this year, is 291, all of whom have been examined except 8. In addition, there were 9 who had failed in previous examinations.

Applications for registration must be made upon blanks furnished by the Board, and must be accompanied by two photographs of the applicant; said photographs must be size $3\frac{1}{4}$ by $4\frac{1}{4}$ inches. One of the photographs must be certified by the dean or registrar of the medical school from which the applicant is graduated, or by a person authorized to administer oaths, and who is known to this Board. All applications, together with the required fee of \$25.00, and the required vouchers, must be filed not less than seven days before the date of examination.

On receipt of an application properly executed, a ticket of admission is issued to the applicant, showing his application number and the date and place of the examination. One of the photographs submitted with the application is also returned with the card, and the number of the application is designated on the photograph, and both card and photograph must be presented by the applicant at the time of the examination. No one is admitted except by card bearing date and place of the examination. Cards are issued to rejected applicants entitled to a re-examination upon payment of a fee of \$3, when applied for not later than Tuesday of the week next

preceding the date of an examination. Three examinations yearly are provided by law, beginning respectively, on the second Tuesday in March, July and November.

The examinations are conducted in the English language only as required by law, and are intended to cover substantially the instruction given in the high-grade medical schools in this country. The subjects on which the examinations are principally conducted are anatomy and histology, pathology, bacteriology, surgery, obstetrics and gynecology, diagnosis and therapeutics, pediatrics and toxicology, psychiatry, biology, chemistry and physics.

The Board has been in actual session twenty days; has conducted forty-four hearings; revoked seven certificates of registration, suspended six, and restored four. Six physicians have been placed on probation. Two cases have been placed on file and eight dismissed. The time given by the individual members of the Board in rating examination books is not included in the twenty days devoted to Board meetings.

By vote of the Board, the Chairman and Secretary have been empowered to hold conferences in certain instances with physicians relative to whom complaints have been made in order to ascertain if Board Hearings are necessary. In this manner, the time of the members has been saved as well as a financial saving to the State. Some thirty such conferences have been held.

In view of the fact that this Board has been registering physicians in this Commonwealth since 1895, with the exception of the recording of physicians' registrations with the city and town clerks under the Acts of 1917, no complete check of the list of registered physicians has been made until the summer of 1929.

From available lists in our possession, it was shown that 6,020 physicians were in active practice at that time, and according to a checking of returns made to this Board by city and town clerks, as required by law, about 1,100 had never made any local record of their registration. Therefore, the Board recommends that each physician, legally authorized to practice medicine in this Commonwealth, should be required to record his registration and business address with the Board, such record not necessarily to be made recurrent.

The Board further recommends that Section 8 of Chapter 112, General Laws, be amended so that each physician located in a town of ten thousand or more inhabitants shall be required to make a new record with the town clerk, in case of change of address.

REGISTRATION OF CHIROPODISTS.

The Board has examined thirty-six applicants for registration this year, thirty-three of whom were registered on first examination, and three registered on second examination. Each examination has occupied one full day. The written exercises are conducted in the State House, and the practical demonstrations under the supervision of Messrs. Kenison and Pettingill at the School of Chiropody. Each applicant is required to provide his own equipment for the practical work and to furnish a patient upon whom to demonstrate his fitness for practice.

During the year, Drs. Arnold, Vaughan, and Sylvester have represented the Board of Registration in Medicine, and the Messrs. Kenison and Pettin-gill the chiropodists in this work.

There were 471 chiropodists who took out annual renewal registration certificates for the year 1929.

A list of the physicians and chiropodists registered during the year will be found in the Appendix.

Respectfully submitted,

CHARLES P. SYLVESTER, M.D.,

Chairman.
